Matt and Jose,

Wanted to let you know that I found out from Angela McFadden that APD and ATSDR have been in touch with the Lauffs regarding the Carter Impoundment.

Jim,

I don't think you've been involved with the Carter Impoundment, but please let me know if you have.

Thanks!

Thanks guys! I ran into Paul Dressel the other day and he said to get in touch with Jim, so I will do so, unless you guys tell me otherwise. Happy Thanksgiving! Jacquie

Hi Jose,

Jacquie reached out to me last week to inquire about the OECEJ POC for waste water impoundments for shale. Is that Jim Kline? If you could point her in the right direction I would appreciate it. Thanks!
